Applicants' Interview Summary

On May 13, 2005, Applicants' representative, Bradley C. Wright, spoke with Examiner Dada by phone following receipt of the Advisory Action dated May 4, 2005. During the conversation, Applicants' representative authorized an examiner's amendment. For the examiner's amendment, the Examiner agreed to cancel claims 1-12 and 21 without disclaimer or prejudice. The Examiner further agreed to allow the amendments to claims 13 and 16-19 as per the Amendment after Final Rejection submitted by Applicants on April 11, 2005.

Amended Claims

Although agreement was reached during the interview, the Interview Summary provided with the Notice of Allowability does not reflect agreement that claims 13 and 16-19 had their amendments entered. Further, the Examiner's Amendment does not include the amendments to these claims from the prior submitted Amendment after Final Rejection. The claim amendments included with this paper are the same amendments previously submitted. Pursuant to 37 C.F.R. § 1.312, Applicants respectfully request that the amendments to claims 13 and 16-19 be entered.

CONCLUSION

Applicants respectfully request that the amendments after allowance herein included be entered. The Examiner is invited to contact the undersigned should it be deemed necessary to facilitate prosecution of the application.

Respectfully submitted,
